

## Public Session

### MAROWN PARISH COMMISSIONERS

Minutes of a Meeting of the Board of the Marown Parish Commissioners held at 7pm on Wednesday 15 October 2025 in the Methodist Church Hall, Old Church Road, Crosby.

In Attendance:	Mrs E Cox	Chairman
	Mr T Miles	Vice Chairman
	Mrs A Lynch	
	Mr J Lovelady	
	Mrs J B Devereau	Clerk

#### 1. Apologies – Mr C Forbes

#### 2. Conflicts of Interest

The Chairman read the agreed text and there were no declared interests.

#### 3. Visitors

##### 3.1. PC Bryan Flojo, Officer for Marown

There was a discussion about issues in the Marown area. PC Flojo speaks to the pupils at Marown School and carries out pub checks. Items of concern raised were:

- the little shed by the railway line has been vandalised
- speeding along the main road through Glen Vine and Crosby
- a lack of Police presence in Marown during TT and MGP
- parking issues on Old Church Road and the application for a car park which would alleviate these

PC Flojo said he would look into the above matters, however staffing / resources are often an issue. They have been discussing putting PC Flat out again. He suggested sending Sgt Harry Jones an email regarding the car park.

##### 3.2. Michelle Haywood, DoI Minister, Jane Poole-Wilson, MHK and Kevin Almond, DoI

3.2.1. The proposed 20mph limit was discussed – most are within the estates and so not an issue, however Ballagarey has had a 20mph limit for ages but people speed - Ms Haywood said there would be signage initially then they would monitor roads with a problem, then implement measures to reduce speed. Mr Lovelady asked why the DoI had spent £120,000 before there had even been a consultation. Ms Haywood said they spent that on signs as they had the money, but it is a genuine consultation, they want people's input and their views do matter – 25-30 roads in Douglas are being reconsidered following feedback.

3.2.2. The point was raised that roads and pavements need more money spent on them. Ms Haywood replied that 95% of potholes are repaired within 24 hours; also 50 miles of roads have been resurfaced this year, and there are only 650 miles of road on the Island.

3.2.3. Mrs Lynch raised the issue of there being dropped kerbs at the top of Old Church Road on the main road, but none actually on Old Church Road, so it can't be crossed by those with mobility issues.

3.2.4. Mrs Cox mentioned a possible problem at Ballahutchin Hill with the amount of traffic driving quickly as there is a campsite entrance and a bus stop. Mrs Poole-Wilson replied that when someone was killed 20 years ago then a 40mph buffer zone was added. She said there is also a speed reduction scheme proposed for the back road above Crosby to Strang.

3.2.5. Another issue is that hedges are not supposed to cut during the summer months and there are complaints if they are, however Ms Haywood confirmed this is permitted for safety reasons.

3.2.6. Mr Miles raised the concern of the lack of visibility of cyclists as they often wear black, rather than fluorescent clothing. Ms Haywood said in the revised version of the Highway Code there is enhanced advice for cyclists regarding visibility - Rule 59 states:

*Light-coloured or fluorescent clothing can help other road users to see you in daylight and poor light, while reflective clothing and/or accessories (belt, arm or ankle bands) can increase your visibility in the dark.*

3.2.7. The final item discussed was the recently issued DoI guidance and leaflet which states that landowners are responsible for trimming their trees which are adjacent to or overhanging the road to at least 5.3m above the road and 2.4m above footways, with a possible fine of £5000 for failing to do so. There have been issues where DEFA has been approached for a licence to trim overhanging trees which was refused. Ms Haywood said that DEFA should be contacted again and if an arborist is used then they will get the wording right in the licence application. However there is also the problem that to trim trees by the road may require a road closure order which can take 6 weeks.

3.2.8. Ms Haywood said she would write up the notes of these discussions and send them.

#### **4. Minutes**

The Minutes of the meeting held on 17 September 2025 were discussed and approved.

#### **5. Matters Arising – None**
